PARTNERS,
TO MAKE
THEM HAPPEN.**

**BUSINESS
PEOPLE
AGAINST
POVERTY.**

WHAT ARE WE WAITING FOR?

THE WORLD IS FULL OF IDEAS ON HOW TO FIGHT POVERTY: LET'S FIGHT WITH THE POWER OF BUSINESS

ENTREPRENEURIAL KNOW-HOW FOR SUSTAINABLE DEVELOPMENTS

„BUSINESS PEOPLE AGAINST POVERTY“...

...an endeavor that has let us to 15 years of fruitful cooperation and joint project work in LICs (Low-Income-Countries) around the globe.

We believe that sustainable entrepreneurial structures are key in the journey to fight poverty. Therefore we initiate and support the transfer of business know-how by engaging high-profile managers and experts into our project work.

TAKE ACTION & BECOME A COUNTRY COORDINATOR

How? By engaging on a local level. As a **Country Coordinator** you are our local consulting partner and representative in the endeavour to strengthen our mission. Our Country Coordinators identify local, viable stakeholders, build networks and develop cooperations.

A SUCCESSFUL APPROACH

We have realized more than 200 projects in over 30 countries worldwide – enabling small- and medium-sized enterprises, social businesses, cooperatives and educational centres to take important steps towards economical independence.

We don't deliver any predefined solutions, we develop sustainable concepts in joint collaboration with our partners – on site or online.

As a partner of the **UN Global Compact** we target important SDG goals and together with you we want to realize those on a local level.*

* UN Global Compact: an initiative by former UN General Secretary Kofi Annan with the objective to align strategies and operations with universal principles on human rights, labour, environment and anti-corruption, and take actions that advance societal goals. The multi-year strategy is to drive business awareness and action in support of achieving the Sustainable Development Goals (SDGs) by 2030.
